1ST CLAYDON SCOUTS HELP CLEAR CONSERVATION AREA

Scouts at 1st Claydon descended on the local conservation woodland area in the village to help clear and maintain its footpaths. A number of overgrown paths were made accessible again and the Scouts worked hard to coppice some overgrown areas. This is the third year that the Scouts have helped out in the wet woodland, one of very few in the UK, and they will be back next year too.

CLAYDON & BARHAM WI

We had such an interesting and informative evening on August 8 when Peter Carr spoke about the history of dolls' houses. He was always interested in things in miniature, which led on to his second career after he retired as a headmaster.

We were very pleased to welcome Maggie to our WI and do hope that she enjoyed herself. We look forward to seeing her again this month.

EXTRA ACTIVITIES

August 29: Lunch at Mr Allards, Stowupland

September 1: Walk to Bramford with lunch at The Cock

Jane came first in the competition, with Pat N second.

Next month we meet on September 12 for our harvest supper

Should anyone wish to get in touch, please ring Barbara on 832330. It will be good to hear from you!

BRAMFORD ART GROUP

Bramford Art Group held an exhibition at Bramford Fun Day. Thanks to everyone who visited. We received many lovely comments about our work.
